Renovation of class rooms for the School is almost complete and registration/enrolling of kids for the classes has already started. Please enroll your children and bring them to School regularly. Renovation of conference room is near completion too. This room will be used for audio/visual purposes of School and meeting place for Interfaith like gatherings. We have already ordered new HD projector and podium for this room. S. Balbir Singh Saini is donating the chairs. We need school supplies and other stuff for conference room. So, we request you all to donate for these good causes.
